Memberships	AERA, AEFP, UCEA, SREE, APPAM, K-AERA

EDUCATION

University of Delaware, Newark, DE — Aug. 2023 – expected May 2027
Ph.D., Education and Social Policy
- Dissertation: "Leadership Under Constraint, on organizational responses to federal investment policy and equity in leadership"
- Advisors: Dr. Lauren Bailes (primary) and Dr. Anamarie Whitaker (secondary)

Hanyang University, Seoul, South Korea — Mar. 2021 – Feb. 2023
M.A., Education and Educational Administration, graduated with Merit

Hanyang University, Seoul, South Korea — Mar. 2016 – Aug. 2020
B.A., Education, graduated Summa Cum Laude

RESEARCH EXPERIENCE

University of Delaware, Graduate Research Assistant, Graduate College (Dr. Lauren Bailes) — Aug. 2023 – Present
- **Title II, Part A education spending.** Lead a mixed-methods dissertation study of federal funds, Title II-A, in partnership with the Delaware Department of Education and The Collaborative for Data Driven Action. Own conceptualization, expenditure data collection and analysis, semi-structured interviews with district administrators, and manuscript writing. First article published in *Educational Policy* (2026). Submitted LOI to EdFund (2026) focusing on SEA's decision making.
- **School leadership diversity.** Time-series analysis of head-of-school hiring with the National Association of Independent Schools. Co-first author on the working paper and lead author on the executive summary delivered to NAIS members. Scoping review on metaphors describing barriers in K12 educator HR system

University of Delaware, Graduate Research Assistant, School of Education (Dr. Laura Desimone) — June 2024 – Present
- **Culturally responsive mathematics instruction.** Analyze teacher survey data for a $9.1M Gates Foundation study with Mathematica on curriculum materials, professional learning, and student engagement. Lead author on a manuscript under review.
- **Professional learning partnership evaluation.** Estimate access to and impact of a culturally responsive partnership on student outcomes across four districts, funded by a $1.5M Gates Foundation grant. Manuscript targeting Educational Evaluation and Policy Analysis is in preparation.

University of Delaware, Graduate Research Assistant, School of Education (Dr. Bryan VanGronigen) — Sep. 2024 – Present
- Design and analyze an exploratory mixed-methods study of Delaware educational leaders' professional development, funded by the UD Research Foundation. Mentor undergraduate research assistants and run the scoping review, semi-structured interviews, survey collection, and analysis.

University of Delaware, Graduate Research Assistant, School of Education (Dr. Florence Ran) — June 2025 – Aug. 2025
- Analyzed CTE dual enrollment participation and outcomes in Delaware for an IES-funded project, contributing statistical analysis and writing on teacher quality and retention.

Hanyang University and **Gyeonggi Institute for Education**, Research Assistant, South Korea — May 2021 – June 2023
- Led statistical analysis, manuscript writing, and grant writing for a National Research Foundation of Korea study of teacher collective innovativeness and school climate using TALIS 2018, producing three peer-reviewed Korean journal articles.
- Analyzed 20 years of national education policy for the Korean Ministry of Education (~$22,500) using Topic Modeling and co-authored the government report; developed and validated a parental participation scale for the Gyeonggi Institute for Education.
